

**PRODUCT CREATION  
GUIDELINES on  
SELLER CENTER**

## Writing Content: Everything you should know

Unlike in physical stores, customers shopping online cannot touch or feel your product or ask you questions about what your product can do or is about. This is where good content comes in. Your Content and Images should answer every possible question that the customer may have about your product.

As much as possible, Content (Product Title, Description, Highlights & Images) should be:

- **Clear:** Written in clear, readable and comprehensible English. Check your spellings, tenses and sentences.
- **Correct:** Make sure the information you put in your title, highlights and description is correct. **Wrong Information** is a valid reason for customers to return products, and it can get you penalized. **Images** should always represent the exact product being sold.
- **Concise:** Stick to providing information about the product and brand you're selling as much as possible.
- **Complete:** All the necessary fields such as: **Weight, Size, Delivery, Tax, Warranty, Main Material** and **Additional Information fields** are filled correctly.

\*\*\*\* **Additional Information fields appear on the site as Filters** for customers to easily find a range of products they need with just a click.

# BASIC CONTENT ELEMENTS

## Main Product Information

Product Name	The Original Magic Bullet Express Blender and Mixer System
Brand	White Label
Primary Category	TV, Audio & Video » Audio & Video » Audio & Video Accessories
Product Description	<p>Magic Bullet is the fastest, most convenient blender you can buy. Most blenders are too bulky and awkward for small daily tasks, but Magic Bullet takes up as much counter space as a coffee mug and can complete almost any processing job in 10 seconds or less. Chop onions, grate cheese, crush ice, mix smoothies and grind coffee beans – with just the press of a button!</p> <p>Easy to use - just fill the cup, screw on a cutting lid, then push down on the power pod. The cyclonic cutting zone technology makes easy work of processing just about anything. When you're done, serve straight away, or screw on a storage lid and save for later. From simple tasks, like chopping and grating, to more intense mixing and blending, Magic Bullet is a versatile food prep essential that you'll use again and again.</p> <p>Kit Includes:</p> <ul style="list-style-type: none"><li>1 Magic Blender with lid</li><li>1 Magic Bullet high-torque power base</li><li>2 blades - 1 cross, 1 flat</li></ul>
